Leni Riefenstahl,

though vilified for her work as part of Hitler's propaganda machine she directed the finest documentaries ever put to film and though the subject matter of her most famous works represents the darkest moments of 20th century human history as records of what happened are invaluable.

to this end we offer these works

- Lowlands (begun in 1944, released in 1954)
- Olympia Part One: Festival of the Nations 1938
- Olympia Part Two: Festival of Beauty 1938

Triumph of the Will 1935

Tag der Freiheit 1935

Victory of the Faith 1933

-> and from her acting days-<

Das Blaue Licht - 1932
