The Golem 1920/1936

both the 1920 German version and the 1936 French import are offered - and as a bonus - we're including a 4 minute fragment from the (almost) lost 1915 version.

Jew Suss 1934/1940

both the 1934 and the 1940 versions are present. Dramatically different approaches to the same story, the first, a brilliant and moving story of life in the 18th century Jewish ghetto of Wurtemberg. And a man who tries to better himself with the help of an evil Duke. The second is the Nazi propoganda historical costume melodrama, where the protagonist of the 1934 film is turned into the Villan.

Dante's Inferno ...1911 / 1924

Passing of the Third Floor Back 1918/1935

both the 1918 and 1935 versions are present. This is a classic, near fantasy based on the victorian play by Jerome K. Jerome.
